# FUN FACTS FOR KIDS

## Sheep

We are still continuing on the theme of 'God's creation. For this week we will share about animals in the bible that we can learn lessons from.

**Challenge: Read John 10, Matthew 9:36**

### DID YOU KNOW?

- Sheep have rectangular pupils. This helps them see almost everything around them, except for what's directly behind them, without having to turn their heads.
- Sheep also communicate through vocalizations, Ewes (female sheep) are able to recognize which lamb is theirs just by the sound of their calls.
- Sheep do not have top front teeth.
- sheep have great memories. Research has shown that sheep can recognize up to 50 other sheep faces, and remember them for two years. They are even able to recognize human faces!
- Sheep are very gentle animals and were one of the first animals to be domesticated.

### Bible verses about sheeps:

- **Matthew 9:36** says "When he (Jesus) saw the crowds, he had compassion on them because they were confused and helpless, like sheep without a shepherd." **Without Jesus we are helpless!**
- **Isaiah 53:6** says, "All of us, like sheep, have strayed away".
- **In John 10**, we see that the sheep recognize the shepherd's voice and will run away from a stranger. God calls them each by name, and they follow Him because they trust Him. So, just like sheep we need to know our Shepherd's voice (Jesus), we should follow Him and trust in Him.
